#### Membership

- declining a little bit. Dain said the numbers typically drop at this time of year.

Budget report, Karin:

- Updating credit card information on auto-charged services
- Carlos informed Karin to expect approximately \$23,400 from the national deposit tomorrow. She will try to send a budget sheet this week.

Bryan, Communications:

- Bryan is keeping club emails to about once per week and as relevant. Group agreed that the amount is good.
- Email template is set. Bryan would like to learn how to send the email. Carlos and Jennifer have agreed to learn it.
- Social media- team effort.
  - People are contributing
  - Mike and Carlos are keeping up with our Facebook page. When they are trying to get feedback or rsvps, direct email works better. We had a decent amount of activity on our Facebook page.
  - Ray, Bob and Bryan are handling Instagram posts.
- Rsvp link in email is working well.

Bryan, Photos:

- Getting photos from members - Bryan created a page for members to upload, but it's a little buggy. If we have phone photos, what's the best way to collect them? Dropbox had a problem. Gmail might be a good option.
- Club photographer - Brian Flowers did a great job getting pictures, drive ahead to get shots of everyone. Bryan will email him to see if he wants to do that.

- State Capitol: Jennifer is submitting an application for space in front of the building, will report on response upon receipt.

Bryan, Events:
